Dear Town of Denmark board,

After reading the minutes for 1-17-22. I would like to inform you that even though there have been no written complaints on the windmill the extremely loud sound emitted from the turbines near my house still continues. And as we are all aware of when they ice over it is intensified.

I would also like to know what information you have received from EDF after the meeting we attended. Have they supplied any of the data we all requested? Where are we on this issue? What correspondence has Scott Doyle had with Jonh Lee? I am also requesting the name of his superior. We obviously have not had any communication with him. Maybe you have but the landowners who have made several complaints have not.

I am not sure if I am suppose to write to you every month to let you know that the problem still exists. Please advise if this is what is needed to let you know the problem has not gone away.

Sincerely

RETURN SERVICE REQUESTED

Due to the unforeseen and unprecedented rise in the costs of fuel you will notice a nominal floating fuel recovery fee on your April trash bill. We have tried hard over the years to avoid a fuel recovery fee but due to this sudden increase and the unknown end of this situation we have little choice in the matter. We appreciate your understanding. If you have any questions, please feel free to call our office. Thank you

RACOG UPDATES

- **Promotional Video** – CGI will be presenting at the next RACOG board meeting about a free promotional video of the region opportunity.
- **RACOG Economic Visioning Summit** – There will be a meeting March 8, 2022 on Zoom for the planning of the economic visioning summit. The event is scheduled to take place at Zero Dock Street in mid-May.
- **RACOG Event Display** – The Tug Hill Commission is going to have a booth at the county fairs this year. COGs can supply materials to have at the booths. Currently, Tim Widrick from the village of Lowville has agreed to work with me on some ideas of what RACOG may want to display. If others want to be a part of this, let me know.
- **LED Lighting** – About 90% of all construction should be completed soon. Decorative lighting will take place sometime in May, because of a backlog of lights. Smart City technology implementation will begin as soon as the 90% completion is done.
- **Complete Street Projects** – All projects are underway and set to be completed by the end of the school year with Jefferson Lewis BOCES.
- **“Friends of the Black River” Working Group** – The group will be meeting again in March. Working on converting old survey maps of the river into English and identifying sites along the Black River. Will be making updates to the blackriverny.com website and may even have a separate page just for information related to locations in the Castorland Journal. These sites will cover most of RACOG.

- **Websites** – Continuing to operate websites without an IT consultant until next RACOG board meeting. I am handling website maintenance until the board decides on what they would like to do. Currently, there are seven municipality websites and the main RACOG website that are all maintained through RACOG.
- **Fort Drum Intern** – The Fort Drum intern, Josh Lumsden, may be helping to cover some municipal meetings, so you may see him at your meetings to give my RACOG report.

Re: Notices of Violation
T. Denmark WD 1 – PWS #2430060

Dear Supplier of Water:

You have been issued 3 notices of violation for failing to collect water samples for Total Haloacetic Acids and Total Trihalomethanes, in accordance with the annual monitoring letter dated March 4th, 2021, for the 2nd, 3rd, and 4th quarters of 2021.

As a consequence, you must make public notification in accordance with Section 5-1.78 of the NYS Sanitary Code under Tier 3 notification requirements. Publishing the above content in your 2021 Annual Water Quality Report should fulfil the public notification requirements.

If you have any questions, please contact the writer at (315) 785-2277.

RE: 2022 Public Water System Monitoring Requirements

Dear Supplier of Water:

The Year 2022 monitoring requirements for your water system are **attached**. You are responsible for all testing and reporting of analytical results from an appropriate laboratory certified by New York State. As a reminder, monthly operation reports must be submitted to the NYS Department of Health's Watertown District Office by the 10th day of the following month.

You are responsible for preparing and distributing an updated Annual Water Quality Report (AWQR) **prior to May 31st**. Remember to include all sampling data in your AWQR tables that were detected parameters (If you monitor less than once per year for some parameters, you must include the most recent data.). Certification that the AWQR was delivered must be provided **by September 1st**.

This letter and attached sample schedule must be on file at the Town Office and be available for review upon inspection.

If you have any questions, please contact the writer or Mr. Curley at (315) 785-2277.

Sincerely,

Michael J. Tracy, P.E.

Re: Unspent Proceeds for the Town of Denmark Project No. D0-18020

Dear Supervisor Doyle:

On September 09, 2021, the New York State Environmental Facilities Corporation provided the Town of Denmark with a \$775,814.36 long-term financing to support Project No. D0-18020 (Project).

The Town has unspent grant proceeds in the amount of \$7,814.36. Our records indicate that the Project is complete, and no disbursement requests have been submitted since .

Please check the applicable statement and sign below to confirm the status of the project:

Project No. D0-18020 is complete. There will be no further request for disbursement. Please contact me with information on how applicable proceeds can be applied toward principal debt service. Unspent proceeds involving grant funds may necessitate a re-evaluation and possible resizing of the Town's grant award.

Project No. D0-18020 is not complete. The Town anticipates submitting a disbursement request by _____. (This date may be no more than three months from the date of this letter.)

Authorized Representative Signature: _____

Please reply to this request no later than March 28, 2022 by email at Rebecca.Walker@efc.ny.gov or by standard mail.

Thank you for your anticipated timely attention to this matter. If you need further assistance or information, please contact Rebecca Walker, Senior Finance Manager at (518) 402-7085.
