A \$10 donation per pet is suggested to defray the cost of the vaccine and clinic staffing.

All pets must be vaccinated, even if an indoor pet. If an unvaccinated pet bites, it must be confined x10 days in an approved kennel/shelter at owner's expense.

All animals need 2 shots-one year apart, then every 3 years.

Please have all dogs on a leash and cats & ferrets in a carrier or strong pillowcase/sack.

Please provide a record of previous vaccination.
