A question was then brought to the attention of the board about a possible subdivision on Station Road.

Is there any issues with doing the subdivision using the river bank as a divider line?

Comments to this were that the river banks are known to shift every year, but if the property is to use this they don't see a big problem with it.

Next meeting will be June 6, 2023.

A motion to adjourn the meeting at 7:20 pm was made by Mary Jones and seconded by Debra Der.
