Supervisor's Report

Supervisor Doyle provided copies of the North Country CPA financial reports to the Town Board prior to the meeting. NYCLASS interest income for August was \$7,447.48 and YTD interest income is \$54,645.44.

Supervisor Doyle updated board members about the Water Quality Improvement Grant process. He has learned that the Town is eligible to receive a prepayment of \$150,000.00 upon completing some specific paperwork. Supervisor Doyle will work on that submission in the coming months. Once prepayment is received it can be used to pay down part of the bond which will lower the required interest payment due in August of 2025.

Supervisor Doyle also explained the SFS System for the WQIP Grant. Supt. Mahar has provided information about the work done by the highway department and will also provide information for the cost of the millings used in paving the pad for the salt barn.

Discussion was held on an error in adopted Resolution 109 of 2024. The error was in the budget coding for the disbursement.

Supervisor Doyle offered a resolution, seconded for adoption by Councilmember Wadsworth, as follows:

Resolution 116 of 2024: Amend Resolution 109 of 2024, Budget line.

The Town of Denmark Town Board adopted resolution 109 of 2024 at its regular meeting held on August 19, 2024; and
